Joyfully ♩ = 84-100

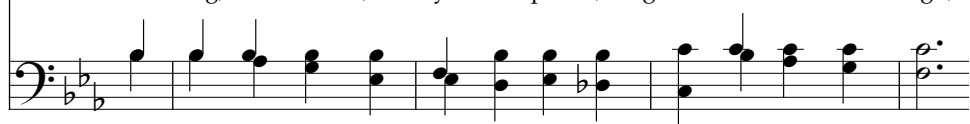

1. From homes of Saints glad songs a - rise, For there the Lord is King.
2. God's truths pro-tect the hearth from wrong When er-ror's ways al - lure,

There faith is learned and prayers as-cend, The Spir - it's peace to bring.
Lift minds from self to no - ble-ness, Keep thought and ac-tion pure.

For homes where scrip-tures old are loved, And liv - ing proph-ets, too,
Then sing, O Saints, in hymns of praise; Sing thanks to God on high,

All thanks we give; the Fa - ther praise For guid-ance sure and true.
Whose coun-sels kept in homes on earth Bring heav-en's glo - ry nigh.
