

A Key Was Turned in Latter Days

(Women)

With dignity ♩ = 84-100

1. A key was turned in lat-ter days, A bless-ing to re-store—
 2. A hand of mer-cy we'll ex-tend; Thy Son has shown the way.

A gift of char-i-ty and peace— To earth for-ev-er-more.
 And light and knowl-edge will at-tend Our ser-vice in his name.

Our Fa-ther, we would turn our hearts To those who seek thy face,
 O sis-ters, let us join our hands; We'll hum-bly seek his face,

Give hope and com-fort to the poor In mem'-ry of thy grace.
 As-sure our hearts be-fore our Lord By deeds of love and praise.
